

What are personal benefits? _____

Personal benefits assist clients with specific one-time or ongoing expenses over and above the monthly living allowance or modified living allowance.

Personal benefits are available to AISH clients who:

- have non-exempt assets of \$3,000 or less or have exceptional circumstances of financial hardship;
- have an identified need; and
- are not eligible to receive the benefit from any other program or source.

Clients must meet eligibility requirements depending on the type of personal benefit.

What personal benefits are available? _____
