

### How to Join GoToMeeting

## This contains steps for how to access GoToMeeting from a web browser and how to download and open the application.

Only download the application if you have a lot of storage space on your computer. If you are using a tablet or computer with less memory, use the web browser.

- Web Browser- Page 1-5
- Application Download and Use- Page 5-8
- By Phone- Page 9

#### Web browser

Step 1

You will receive an email with information that looks like this after you register on Eventbrite.

#### EXAMPLE ONLY.

Please join my meeting from your computer, tablet or smartphone. https://global.gotomeeting.com/join/615920869

You can also dial in using your phone. Canada: <u>+1 (647) 497-9391</u>

Access Code: 615-920-869

New to GoToMeeting? Get the app now and be ready when your first meeting starts: <u>https://global.gotomeeting.com/install/615920869</u>

Go to the website using this link https://www.gotomeeting.com/en-ca/meeting/join-meeting

Solutions \* Plans & Pricing Resources \*

Step 3

Input the Access Code in the area asking for the Meeting ID then click "Join".

Next click "Join on the Web".

#### Step 5

Join using your computers audio. It will automatically select this option unless you want to connect using your phone. Click save and continue. You will continue to set up your audio after this.

Family & Employment Resource Centre: Empowering people living with disabilities

Some web browsers will ask for permission to let GoToMeeting use your microphone. Click "Allow".

#### Step 7

It will automatically find your computers speakers and mic. Click "Save and Continue"

Switch to phone
Choose Your Mic & Speakers
— Microphones —
Default - Microphone (2- Realtek(R) Audio)
- Speakers
Default - Speakers (2- Realtek(R) Audio) 🕟 🗸
Save and continue
<u>l don't need audio</u>

Step 8

You are now ready to start the meeting.

# If you don't see other people right away, just wait. The host needs to log into GoToMeeting before the video conference will connect you to other people.

Family & Employment Resource Centre: Empowering people living with disabilities

#### If you need to use your phone for audio during the meeting.

Step 1 Dial the phone number given in the email with your registration.

Step 2 When asked, enter the access code then press #. Example 615-920-869#

#### Step 3

If the meeting has already begun look under settings at the top right corner (looks like a gear) to find your individual pin number. dial that on your phone then the # sign.

#### To Get the Application for your Computer

Step 1.

You will receive an email with information that looks like this after you register on Eventbrite.

#### EXAMPLE ONLY.

Please join my meeting from your computer, tablet or smartphone. https://global.gotomeeting.com/join/615920869

You can also dial in using your phone. Canada: <u>+1 (647) 497-9391</u>

Access Code: 615-920-869

New to GoToMeeting? Get the app now and be ready when your first meeting starts: <u>https://global.gotomeeting.com/install/615920869</u>

Step 2- FOR A PC

Go to <u>https://global.gotomeeting.com/install/615920869</u> to download the application. A pop up will appear to download the application. Click "Save File". Then Save the download file to your computer. It will then begin downloading.
